DUKE PAIN MEDICINE

Endorsed by

STATEMENT OF NEED

Enhanced continuing education and training are needed for physicians and health care professionals to address gaps in knowledge and competencies underlying the performance and patient outcomes regarding the detection, treatment and cure of acute and chronic pain and its related and prevalent existence of addiction. This live activity is a multidisciplinary approach to providing education to physicians and HCPS on this subject. The IOM, in its 2011 report, called for a "population health-level strategy for pain prevention, treatment, management, education, reimbursement and research". This live activity addresses the call to action by providing the education to the medical professionals charged with the care of pain patients in North Carolina and beyond.

TARGET AUDIENCE

Two hundred plus Physicians, Therapists, and HCP's from anesthesiology, oncology, neurology, internal medicine, primary care, family practice, psychiatry, pharmacy, psychology and others with an interest in pain management are invited to attend.

LEARNING OBJECTIVES

At the conclusion of this activity, participants should be able to:

1. Provide decision-making strategies that consider opioid, non-opioid pharmacologic and non-pharmacologic strategies for management of chronic pain.
2. Employ key diagnostic and treatment techniques for the management of common pain conditions including headache, neck, spine, abdominal, fibromyalgia, and neuropathies.
3. Identify risk factors associated with the initiation or maintenance of chronic opioid therapy to promote appropriate and safe opioid usage in patients.
4. Develop an efficient and productive clinical practice to promote maximum opportunity for patients to obtain individualized pain management care.
5. Promote appropriate and safe opioid usage in patients.

ACCREDITATION STATEMENT

In support of improving patient care, the Duke University Health System Department of Clinical Education & Professional Development is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the health care team.

CREDIT DESIGNATION STATEMENT

Physicians: Duke University Health System Department of Clinical Education and Professional Development designates this live activity for a maximum of 11.75 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only credit commensurate with the extent of their participation in the activity.

DISCLAIMER

The information provided at this CME activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.

SPECIAL NEEDS STATEMENT

Duke University School of Medicine is committed to making its activities accessible to all individuals. If you are in need of an accommodation, please do not hesitate to call and/or submit a description of your needs in writing in order to receive service. Please submit to Robin L. Hoyle JD, Meeting Organizer at robin@robinhoyle.com or by fax to (727) 362-6210.

LOCATION

The Mary Duke Biddle Trent Semans Center for Health Education is the first new home for medical education at Duke since 1930. The facility is centrally located on the medical center campus, close to Duke University Hospital at 8 Searle Center Drive, Durham, North Carolina with convenient access from all points in North Carolina and beyond. Directions are available online at <http://medschool.duke.edu/about-us/maps-and-directions>

CANCELLATION POLICY

Cancellations received in writing on or before February 1, 2015 will incur a \$25.00 cancellation fee. No refunds will be given after February 1, 2015. Substitutes are welcome (please notify us in advance of the program via email at robin@robinhoyle.com)

CONTACT INFORMATION

For additional information, please contact the meeting organizer, Robin L. Hoyle JD, at (401) 619-4682 or by email. For registration and ACCME questions, please contact (919) 668-8916 or by email at robin@robinhoyle.com.

SUNDAY, MARCH 1, 2015
